

LineLazer®

Professional Airless Line Striping Systems

PROVEN QUALITY. LEADING TECHNOLOGY.

There is no other pavement line striping system like the LineLazer Airless Professional Striping System.

Quality. Performance.
Durability. Productivity.

Since 1990 Graco's LineLazer Airless Striping Systems have delivered on all counts and lead the pavement striping industry!

The LineLazer family of strippers has constantly been improved to meet the changing needs of the pavement marking industry, each time delivering substantial benefits to the professional striping contractor. The LineLazer V System continues the tradition of delivering innovation and performance, creating an unmatched family of strippers.

You can take pride in the fact that Graco strippers are designed, manufactured, and assembled right here in the United States of America.

What is the G4 Difference? Simply put, it's Graco's commitment to provide you with the very best airless line striping systems, backed by a solid reputation for proven quality, maximum performance, reliable warranty coverage and unmatched on-the-job productivity. Graco is the name to turn to today and as your business grows.

PROVEN **QUALITY**

Each LineLazer stripper boasts Graco quality and dependability that you can count on. For more than 25 years striping contractors have turned to Graco.

MAXIMUM **PERFORMANCE**

Each LineLazer System is engineered to deliver maximum performance for completing jobs quickly and efficiently.

INDUSTRY-LEADING **WARRANTY**

Graco backs each LineLazer System with a full 3-year warranty from defects in material and workmanship.

UNMATCHED **PRODUCTIVITY**

Superior design and innovative technology means you'll be getting the highest productivity in a line striping system.

LINELAZER

THE FIFTH GENERATION OF LINE STRIPING HAS ARRIVED.

Graco, the first company to offer airless spray technology is now the first again. With the introduction of LineLazer V, now striping contractors can have truck-like features in a walk-behind striper. How? New automatic and semi-automatic striping technology with the push of a button.

Breakthrough innovations in the new Auto-Layout II System, EasyMark Gun adjustment system and Data Logging, as well as the new LiveLook Display, clearly position LineLazer V as the preferred choice for quality, performance and productivity.

Typical Applications

Parking Lots

As larger lots become more popular, you can finish them faster and more efficiently with the LineLazer airless stripers.

Airports

Airports offer professional striping contractors opportunities to add on to their existing striping jobs. The LineLazer System is sure to have the right striping solution.

Construction Zones

Construction zones offer additional incremental striping opportunities. The LineLazer striper's smaller size allows it to quickly put down stripes, insuring a safe construction zone.

Intersections/Roads

From arrows and crosswalks to entire intersections, there are many ways to grow your business with LineLazer airless stripers.

LINELAZER

V

BREAKTHROUGH TECHNOLOGY

NEW Automatic Gun System

NEW Automatic & Semi-Automatic Gun Systems

Industry-First Technology

- ▶ ***Striping truck features now on a walk-behind!***
- ▶ Program guns to start and stop automatically to deliver perfect stripes every time!
- ▶ Now stripe skip lines with a simple push of a button
- ▶ Push button control eliminates hand lever fatigue

NEW Auto-Layout™ II with Green Laser

- ▶ Eliminates the tape measure—cuts layout time in half!
- ▶ Uses onboard paint system—no more inverted cans
- ▶ Precise layout “dots”—accuracy of 1/16" over 100'
- ▶ Finally a ***LASER on a LineLazer!***

3 NEW PACKAGES BUILT FOR YOU.

NEW LiveLook™ Display with SmartControl™

Striping Information At-A-Glance

- ▶ Tracks and shows every aspect of your job
- ▶ Real-time information eliminates guessing
- ▶ New Data Logging is Industry-First
- ▶ Powerful information only on a LineLazer V!

NEW EasyMark™ Gun Adjustment System

Gun Adjustment has Never Been Easier!

- ▶ "Tick Mark" on gun bars for easy operation
- ▶ Removable "G-Clamp" is Industry-First
- ▶ New Dual Gun Clamp for solid gun control
- ▶ Provides perfect 2-Gun Alignment

NEW EZ Align™ Wheel System

Improved Front Wheel Adjustment

- ▶ Allows simple realignment of front wheel to maintain "straight" tracking
- ▶ No-special tools needed to adjust
- ▶ Quick and easy "Fine Tune Adjustment"

Choose the RIGHT SERIES for all your striping applications.

Graco's fifth generation of line strippers are configured into three unique packages designed to deliver valuable features allowing you to complete jobs faster, more efficiently and with more accuracy. Whether you need the everyday reliability of our **Standard Series**, the increased speed and productivity of the **HP Automatic Series**, or the versatility of the high production **HP Reflective Series**, Graco offers the perfect striper that's designed specifically for you.

If You're a Everyday Striping Contractor

- ▶ Your jobs range from small to medium
- ▶ You perform mostly re-stripe jobs
- ▶ You need a single-color, single-gun striping solution

You need a **Standard** Series striper.

EVERYDAY STRIPING

If You're a High Production Striping Contractor

- ▶ Your jobs range from medium to large
- ▶ You stripe new parking lots, city streets, intersections and bike paths
- ▶ You need a multi-gun, automatic system

You need a **HP Automatic** Series striper.

TOUGHER JOBS

If You're a High Production Reflective Striping Contractor

- ▶ Your jobs are typically larger
- ▶ You stripe airports, large roadway and city projects
- ▶ You need a multi-gun, automatic gun system with pressurized beads

You need an **HP Reflective** Series striper.

MOST DEMANDING JOBS

The **LineLazer 3400** is the proven performer for your restripe jobs. As the preferred choice for 1-gun professional performance, the LineLazer 3400 is perfect for small parking lots, mini malls, seal coating contractors, schools and park and recreation departments.

Included Features:

Easy Reach Controls

- ▶ Operator controls are located on the handle bars
- ▶ You can fine tune the striper without stopping

Handle Bar Design

- ▶ High-comfort design for greater control and less operator fatigue
- ▶ Contoured grips comfortably fit your hands

Electronic Pressure Control

- ▶ Accurate, tight tolerance system provides excellent line quality

Chromex™ Pump Rod

- ▶ Long life rod treatment for the most demanding materials
- ▶ Four times harder than ordinary chrome

Honda Power

- ▶ Contractor preferred – excellent power and proven reliability

Exclusive Easy Out Filter System

- ▶ 60 mesh filter for no plug performance
- ▶ Inside out filtering

Endurance Paint Pump

- ▶ Industry best performance
- ▶ Proven design with 25 years of success

Front Swivel Wheel

- ▶ Provides easier “up to the curb” parking lot striping and hard-to-do curves
- ▶ Tapered locking pin design for years of dependable operation

LineLazer V 250sps—The Next Evolution in Line Striping.

Graco was first to offer the **stand-on, self-propelled** striping unit. The **LineLazer V 250sps** is the stand-on striping solution for improved visibility and razor sharp lines.

Rear Stand-On or Flip-Up Platform System

Integrated platform provides ergonomic place for standing, great sight line and all-day comfort or flip-up platform for walk-behind operation.

POWERED by **HONDA**

High performance striping with the exclusive automatic or semi automatic paint guns makes the **LineLazer V 250SPS** the preferred striper for professional contractors who demand hydraulic power. This striper is ideal for large, heavy-duty line striping jobs including parking lots and road jobs.

Automatic Gun Control System

- ▶ Manual or automatic paint and bead guns with the push of a button

Electric Clutch System

- ▶ Disengages engine for fast starting

25-Gallon (95 L) Paint Hopper

- ▶ Extended striping time with large capacity hopper

Honda 13 HP GX Engine—Electric Start

- ▶ Industry proven performance with the most demanded engine by contractors

Remote Mount - Control Box

- ▶ Simple to use and easy to see in all conditions
- ▶ Information at-a-glance

Graco Hydraulic Motor System

- ▶ Graco's no-stall hydraulic motor for uninterrupted performance

Flex Plus® Guns

- ▶ Industry proven paint guns with LineLazer tips provide precise lines

Endurance Piston Pump System

- ▶ Long life pump provides precise flow for wide range of striping materials

Rear Gun Mount System

- ▶ Provides straighter long lines—perfect for bike paths, airports and other long line jobs

Self-Centering Front Wheel

- ▶ Eliminates one user interface for simpler operation
- ▶ Foam filled for stability

Exclusive Dual Color Line Striping System

Spray two colors *simultaneously* with Graco's new **LineLazer V 250DC**. Ideally suited for airports, municipalities, DOTs or anyone who needs to spray highlight lines or other dual-color striping. The LineLazer V 250DC rewrites line-striping productivity and flexibility by spraying two colors simultaneously in patterns as wide as 36 inches.

Dual Graco Hydraulic Motors

- No-Stall design provides uninterrupted performance

Dual Endurance® Displacement Pumps

- Provides precise flow for a wide range of striping materials

Exclusive Self-Centering Front Wheel

- Provides simpler operation

Exclusive Stand-On Platform

- Provides ergonomic place for standing, great view and all-day comfort

Dual 15-Gallon Paint Hoppers

- Simultaneously spray two colors and refill less often

Front or Rear Gun Mount

- Use up to six guns to create straighter long lines

Flex Plus Guns

- Industry proven paint guns provide precise lines

Graco Bead Guns

- Reliable design delivers proven performance

Dual Bead Tanks

- Holds up to 240 lbs of beads (120 lbs each)

Honda 13 HP GX Engine

- Electric start for ease of use

Why Walk When You Can Ride?

Graco offers two high performance **LineDriver** attachments to connect to your LineLazer striping machine to double your striping productivity.

The LineDriver and **LineDriver HD** attachments provide the most innovative, user-friendly ride-on systems for the professional striping contractor.

Exclusive FlexBeam™ Break-A-Way Light System

- ▶ Fully adjustable for all types of low light applications
- ▶ Break-A-Way design helps protect against costly repairs and keeps you on the job

Patented Dual Foot Pedal System

- ▶ For forward and reverse—move between jobs without having to *PUSH!*
- ▶ Patent No. 6,883,633

Exclusive ProStart™ Engine Starting System

- ▶ Up to 50% less pulling effort to start the engine—no more broken recoils
- ▶ Outperforms manual pull and electric start systems when the weather starts turning cooler

Honda Engine

- ▶ Compact, lightweight and powerful—Honda engines are reliable, technologically advanced and easy to start
- ▶ Oil Alert shuts down engine if oil level drops too low, preventing damage
- ▶ Contractor preferred

POWERED by **HONDA**

ENDURANCE™ ADVANTAGE PROGRAM

A SOLUTION TO KEEP YOU STRIPING

Graco knows the last thing you can afford is costly downtime. And with the Endurance Advantage Program, you'll never need to worry about it. When you buy any new Graco LineLazer line striper, you can purchase an additional Endurance Pump for **up to 80% OFF** the list price—keep a spare on hand to save yourself time and money on every job. Or if you'd rather repack your own pump, we'll let you choose a **FREE Repair Kit** instead. No matter what your choice, Graco ensures you'll always be up and striping! Simply follow the registration instructions included with your sprayer.

WARRANTY SPRAY PROTECTION

We stand behind every piece of equipment we manufacture with the industry's strongest warranty. Stripe with the confidence that you will probably never need to use Graco's warranty, but if you do... *we will be there.*

3-YEAR WARRANTY*

Coverage against defects in materials and workmanship on the entire striper.

30-DAY "JUST ADD PAINT" REPLACEMENT GUARANTEE*

Dissatisfied? Simply return the striper to the place you bought it within 30 days. They'll either exchange it for an identical striper or you can trade up to a larger striper at an additional cost.

DOWNTIME ELIMINATOR PROGRAM*

Part needed for a warranty repair not in stock at your distributor? Get **FREE** next business day air freight delivery when distributor orders the part by 2 p.m. CST.

*NORTH AMERICA ONLY. See your local Graco distributors for country specifics.

Nobody Else Builds Stripers Like This.

Accessories

ABOUT GRACO

Graco Inc. is registered to I.S. EN ISO 9001

PROVEN QUALITY. LEADING TECHNOLOGY.

Founded in 1926, Graco is a world leader in fluid handling systems and components. Graco products move, measure, control, dispense and apply a wide range of fluids and viscous materials used in vehicle lubrication, commercial and industrial settings.

The company's success is based on its unwavering commitment to technical excellence, world-class manufacturing and unparalleled customer service. Working closely with qualified distributors, Graco offers systems, products and technology that set the quality standard in a wide range of fluid handling solutions. Graco provides equipment for spray finishing, protective coating, paint circulation, lubrication, and dispensing sealants and adhesives, along with power application equipment for the contractor industry. Graco's ongoing investment in fluid management and control will continue to provide innovative solutions to a diverse global market.
